Summary of reasons for decision:

This computer image file is deemed to be objectionable because it promotes and supports the exploitation of children and young persons for sexual purposes. It is an image of a naked girl posed in a sexualised manner. This material creates or reinforces a sexual interest in young girls and encourages the idea that they are available for adult sexual gratification. The classification of this publication interferes with the right to freedom of expression set out in the New Zealand Bill of Rights Act 1990. However, this is an outcome that is consistent with Parliament's intention and reflects the concern of a free and democratic society to protect its young and vulnerable members from sexual exploitation.
